Come join our guides and be transported back in time as you walk by the beautiful historic homes. Beneath the veil of modern Beaufort is the spirit of a past culture whispering for your attention. More important than the houses left behind are the lives of the people. Hear their stories and feel their passions and causes which shaped their journey into history.

Monday - Saturday evenings guides in period dress tell tales from history; Gullah folklore; ghost stories and visit historic graves. The 1/2 mile walk in the west Historic District ends back at the gift shop with refreshments. Approx. 1-1/2 hr.
